

AERS Spring 2010 Meeting

The meeting will kick off with a panel discussion on:

Nutrient Solutions

Science-based management of estuarine and coastal systems

Keynote Speaker: Daniel Conley

Lund University

March 4-6, 2010

Chelsea Hotel, Atlantic City, NJ

AERS brings together students, scientists, managers, and educators from DC, DE, MD, NC, NJ, PA, and VA to discuss estuarine and coastal environments and policies. We aim to foster broader interest in our environment by increasing scientific and public awareness of current issues.
